19.4.21		<p>reminds us the victory of good over evil. This festival is celebrated during the spring season with great joy. One day before the colourful Holi festival , Holika Dahan is conducted where huge bonfire is set and various rituals are conducted. People play with bright organic colours like red, green, yellow, orange , etc. Various kinds of sweets such as Gujiyas and Malpuas are prepared. Children love playing colours using pickharris, buckets and balloons filled with coloured water. Holi is the festival of harmony and peace and spreads love and unity among people.</p> <p style="text-align: center;">My Family</p> <p>I have a wonderful family and I love all my family members. My family consists of six members grandparents, parents , one sister and me. My father is an engineer and my mother is a housewife. All my family members love, respect and care for each other. We all love to spend time with each other after dinner every night. My family has taught me good lessons about love, unity and co operation among ourselves. I pray to god to protect my family from all evils and keep us safe from all dangers of life.</p>	
21.4.21		<p style="text-align: center;">My Favourite Cartoon Character</p> <p>My favourite cartoon character is Tom and Jerry. I watch Tom and Jerry every day after completing my homework. They always make me laugh and never fail to entertain me. My love for Tom and Jerry is so much that all my school accessories have Tom and Jerry stickers on them. I just love watching them all time. Tom is the cat and Jerry is the naughtiest mouse. Tom and Jerry are the worst enemies and yet best of friends who cannot live without each other.</p> <p style="text-align: center;">My Favourite Book</p> <p>Books are friends who never leave our side. I find this saying to be very true as books have always been there for me. I enjoy reading books. They have the power to help us travel through worlds without moving from our places. Books also enhance our imagination. My parents and teachers always encouraged me to read. They taught me the importance of reading. I have read several books. However, one book that will always be my favourite is Harry Potter. It is one of the most fascinating books to read. I have read all the books of this series, yet I read them again as I never get bored of it.</p>	

Comprehension 23.4.21	I. Read the passage and answer the questions that follow:- A salt seller used to carry the salt bag on his donkey to the market every day. On the way they had to cross a stream. One day the donkey suddenly tumbled down the stream and the salt bag also fell into the water. The salt dissolved in the water and hence the bag became very light to carry. The donkey was happy. Then the donkey started to play the same trick every day. The salt seller came to understand the trick and decided to teach a lesson to it. The next day he loaded a cotton bag on the donkey. Again, it played the same trick hoping that the cotton bag would be still become lighter. But the dampened cotton became very heavy to carry and the donkey suffered. It learnt a lesson. It didn't play the trick anymore after that day, and the seller was happy. The moral of the story is: Luck won't favour you always. Q1) Where did the salt seller carry the salt bag? Ans: _____
